

SCHNABEL EFFECTS

Joe Satake (Tokyo, Japan) Born in 1977. Graduated from Graphic Design Department of Tama Art University (BA) in 2001. Established "Schnabel Effects" in 2002. As an artist, Satake has been producing printings and prints. And also, he has actively engaged in art pieces for various magazines, interior design, fashion, music, advertisement and others. Also, he has participated in a lot of exhibitions and art exhibits domestically and internationally.

Awards : The Best Debutant of the Year 2005 - category of the Image & Graphics of the Japan Men's Fashion Unity

Satake creates and produces many art works with silkscreen of photograph. Many abstract visuals pieces out of magazines and pinups he comes up with. His skillful art works reflect graphic works of the media such as fashion magazines, his inspiration, and the techniques & trend of the photography.

In the past, Satake set out graphic works and illustrations for magazines like "VOGUE JAPAN," "Harper's BAZAAR," "ELLE JAPON," and many others. He has also done many interior art works for stores and offices.
